

THE CPF WELCOMES CENTRE POMPIDOU PRESIDENT SERGE LASVIGNES

A graduate of the prestigious L'École Nationale d'Administration, Lasvignes was previously the French government's Secretary General. **President Lasvignes began his tenure at the Centre Pompidou in early April and will be on hand to meet Foundation members during the June visit to Paris.** In a recent email to the CPF, he shared the following:

"Je ne suis là que depuis quelques jours, mais j'ai déjà bien conscience de ce qu'apporte l'action de votre fondation au rayonnement du Centre Pompidou et à la richesse de ses collections." - Serge Lasvignes
(While only a few days have passed since my nomination, I am aware already of the prestige that the Foundation confers on the Centre Pompidou as well as the important role it plays in the enrichment of our collection.)

FROM THE CPF LETTERBOX

Steve and Kathy Guttman, donors of Alex Israel's *Sky Backdrop*, were kind enough to share a recent note from artist. His words underscore for us all the meaning and importance that acquisitions by the Centre Pompidou Foundation can have to an artist.

"To have my work in the (Pompidou) collection...marks a major milestone for me, in my life and career, and it is moments like this that give me increased faith, confidence and excitement as I move forward in the creation and execution of my artistic vision."

- Alex Israel
